

DID YOU KNOW?

SDNA is committed to you:

To advance, promote and protect the value, contributions and development of South Dakota's professional nurses.

SDNA takes on legislative causes and works collaboratively with other healthcare groups to impact nursing practice and patient care such as:

Advocate for professional nursing practice.

Influence public policy for health care.

Improve the perception and visibility of nursing. SDNA is viewed as the "face, voice, and person" of nursing in South Dakota.

SDNA is an incredible tool for networking:

SDNA membership benefits all nurses.

SDNA provides a collegial support system, grooming/positioning advice, and provides opportunities for professional development.

SDNA keeps you informed on nursing and healthcare issues.

SDNA fosters career development and offers opportunities to serve the nursing profession in a variety of ways, including many opportunities to serve in leadership roles.

SDNA allows for participation in meetings so that members can share their diverse perspectives.

SDNA provides a forum to meet and interact with other nurses.

Annual events that inspire, educate and entertain:

SDNA holds numerous events, conventions and special programs on its own and in conjunction with other organizations. The purpose is to provide a forum for our members to communicate, share and learn from experts in the field and each other. SDNA Nurses Day at the Legislature is a political briefing that offers legislative updates and an opportunity to communicate directly with legislators.

THE PERSONAL CHOICE

THAT MAKES A PROFESSIONAL DIFFERENCE

SDNA Mission

The South Dakota Nurses Association speaks with a unified voice to support professional nursing through advocacy, communication, networking and collaboration across nursing specialties. The Registered Nurse is an advocate of access to quality, cost effective care while upholding standards of excellence for the profession.
